

Mockups

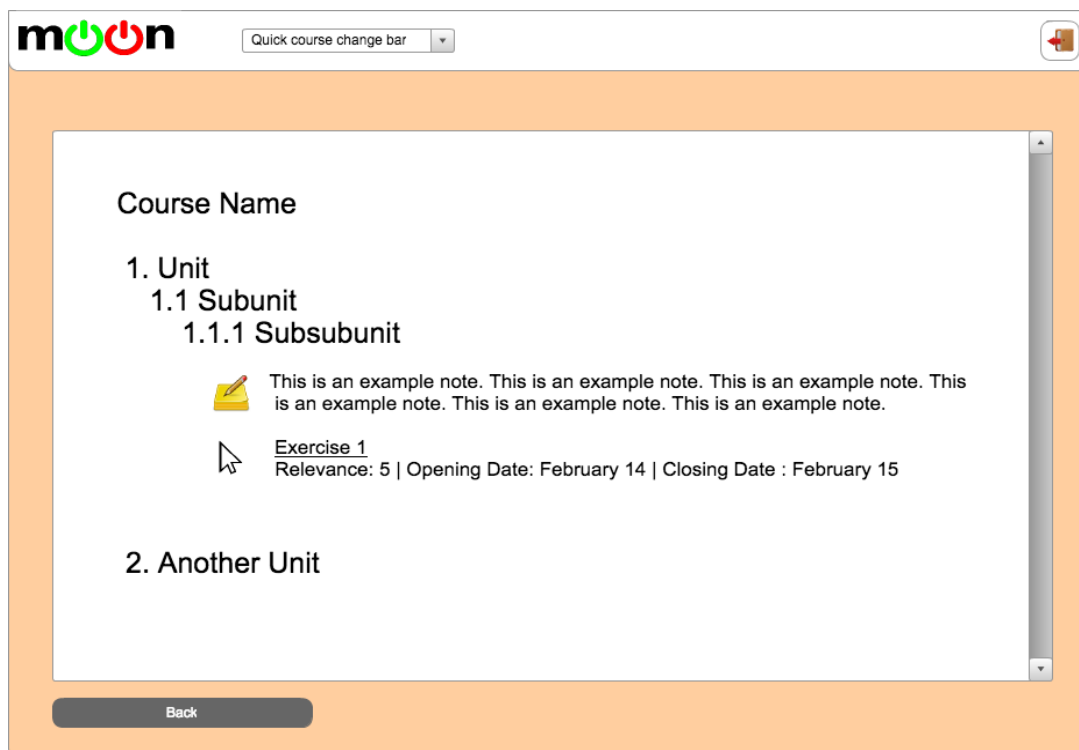

- 1) This is the main login. It will take you to 13) if you are a teacher or to 2) if you are a student.

- 2) This is the main menu you would see if you logged in as a student. You could select a course in the list at the left and go to mockup 4 or 12, depending on you having been accepted in the course or not or change at the right top which courses you want to see (all, accepted, expelled, not in) or select course statistics, which would take you to mockup 3.

3) This is what you would see if you clicked on “statistics” in the main menu. If you clicked on one course from the list, it would take you to mockup 5)

4) This is the main course window. If you clicked on an exercise it would take you to the first question of the exercise (mockups 8, 9, 10 and 11) You could also navigate through courses with the quick course change bar at the top.

moon

Back to main page

6) Here are displayed the statistics of an exercise. You can click on a question to navigate to the statistics of that question that students have access to at that time, in mockup 7)

The screenshot shows a window titled 'moon' with a question statistics interface. At the top, there is a question text: '¿This is a sample question this is a sample question this is a sample?'. Below this, the 'Points' are listed as '-1'. The 'Correct answer' is a radio button followed by 'This is a sample correct answer'. The 'Student's answer' is a radio button followed by 'This is the student's wrong answer, which took away a point from him because of the penalty'. At the bottom, there are three navigation buttons: 'Back to exercise statistics', 'Back to course statistics', and 'Back to main page'.

moon

¿This is a sample question this is a sample question this is a sample?

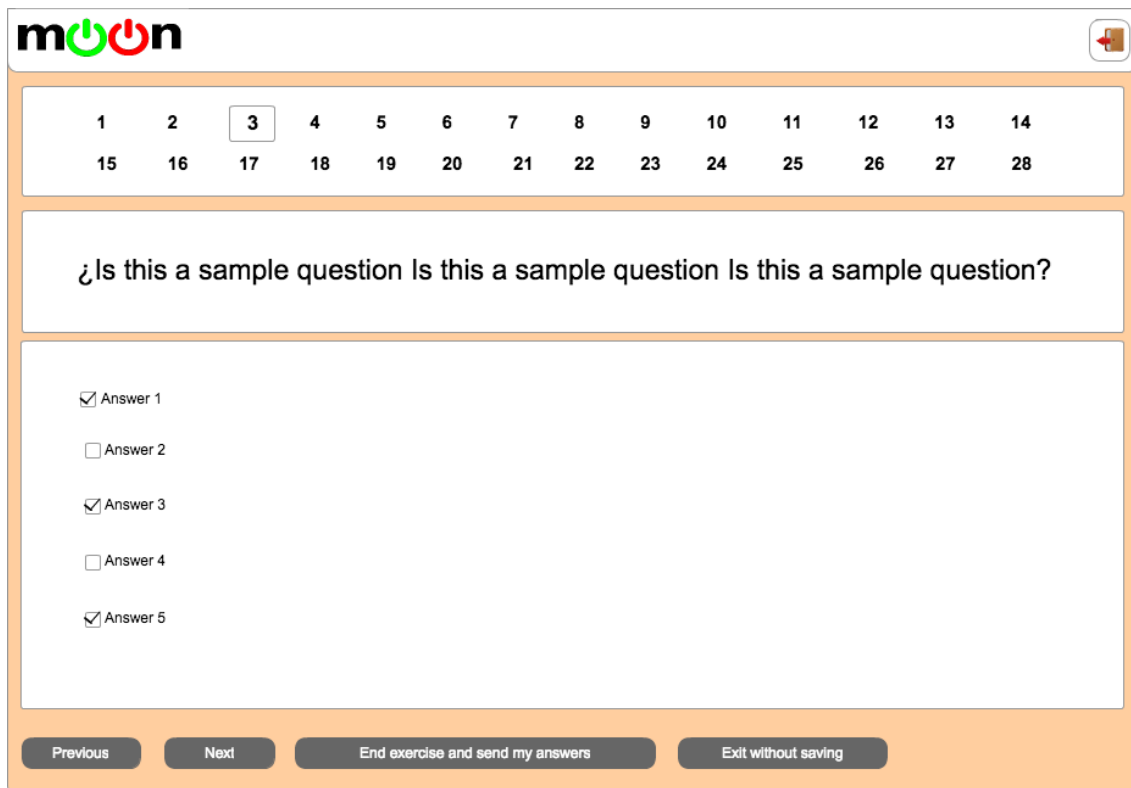

Points: -1

Correct answer: ☐ This is a sample correct answer

Student's answer: ☐ This is the student's wrong answer, which took away a point from him because of the penalty

Back to exercise statistics Back to course statistics Back to main page

7) This are the question statistics. There are some navigation buttons to go back at the bottom.

The screenshot shows an exercise window titled 'moon'. At the top, there is a grid of question numbers from 1 to 28. The number 3 is highlighted with a box. Below the grid, there is a question text: '¿Is this a sample question Is this a sample question Is this a sample question?'. Below the question, there are five multiple choice options, each with a checkbox: 'Answer 1', 'Answer 2', 'Answer 3', 'Answer 4', and 'Answer 5'. At the bottom, there are four navigation buttons: 'Previous', 'Next', 'End exercise and send my answers', and 'Exit without saving'.

Answer:

This is a sample answer this is a sample answer

Send

Previous
 Next
 End exercise and send my answers
 Exit without saving

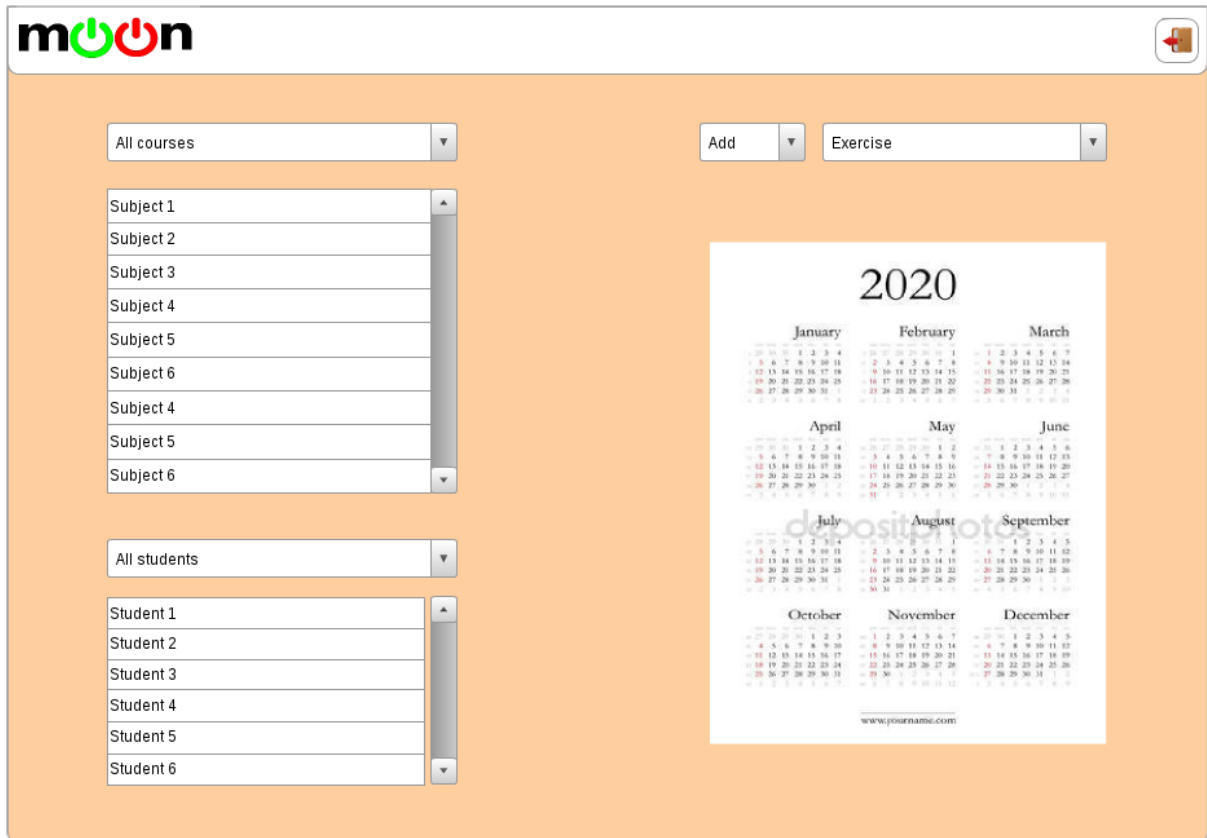

10) This would be the exercise window associated with the open text questions. There would be some navigation buttons at the bottom.

The screenshot shows a web interface for a multiple-choice question. At the top left is the 'moun' logo. At the top right is a small icon of a document with a red cross. Below the logo is a grid of 28 numbered boxes, arranged in two rows of 14. The number '3' in the first box of the second row is highlighted with a black border. Below the grid is a white rectangular area containing the text '¿Is this a sample question Is this a sample question Is this a sample question?'. Below this text is a large white rectangular area containing two radio button options: 'True' and 'False'. The 'False' option is selected, indicated by a black dot inside the radio button. At the bottom of the interface is a row of four dark gray buttons with white text: 'Previous', 'Next', 'End exercise and send my answers', and 'Exit without saving'.

11) This would be the exercise window associated with the multiple choice questions. There would be some navigation buttons at the bottom.

The screenshot shows a web interface with a large orange rectangular area. In the center of this area is a white rectangular box containing the text 'You are currently not in this course, do you want to apply for it?'. Below this box are two dark gray buttons with white text: 'Send application' and 'Back to main page'.

12) If you selected in the main menu a course that you are not in, this message would pop up. You would have the options to go back or to send an application to that course

13) Main page for teacher. You can select a subject (go to 14), select a student (go to 17) or you can Add/Edit Exercise/Note/Unit/Course.

Add exercise: go to 24

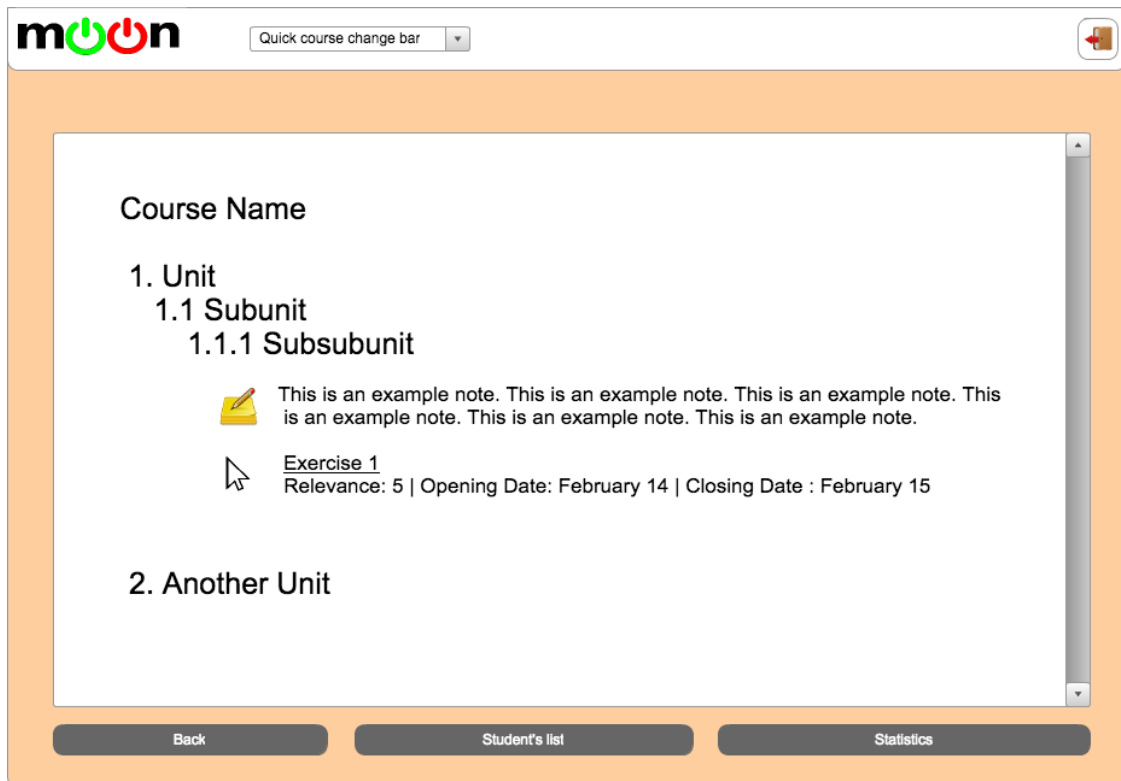

Add note: go to 29

Add unit: go to 30

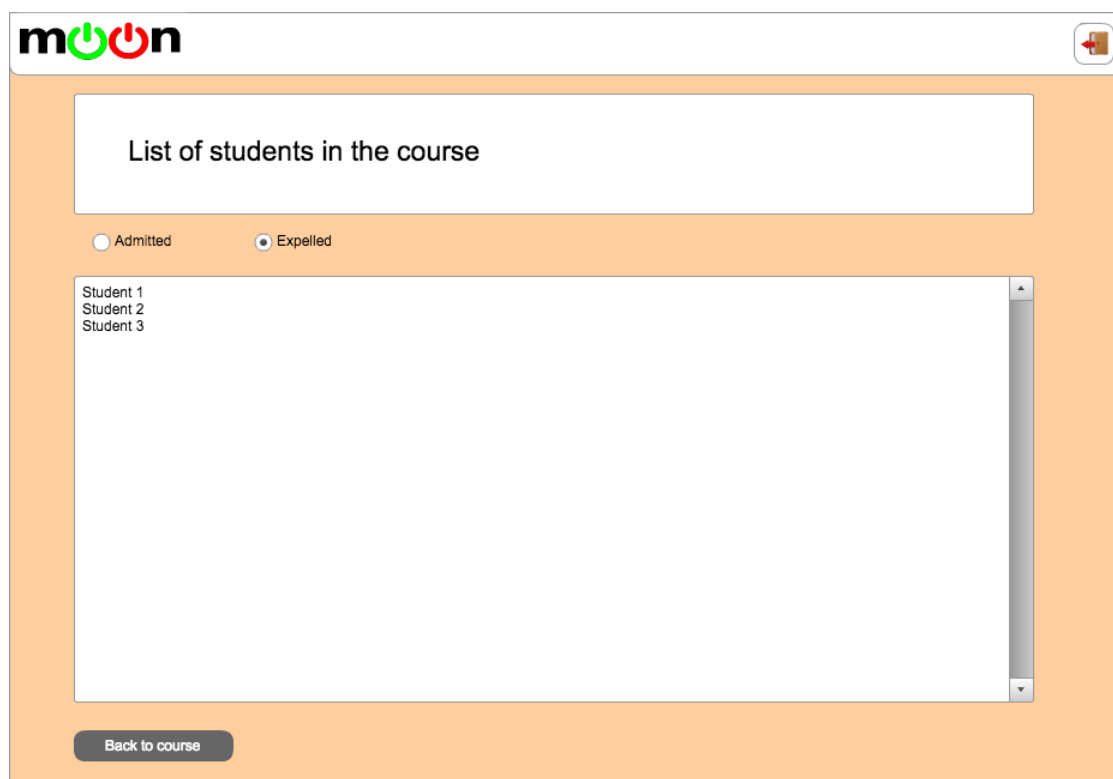

Add course: go to

Edit note: go to 21

Edit unit: go to 22

14) Students list takes you to 15), Statistics to 18) If a teacher clicked on an exercise or on a note, it would take him to the edit mode, which would be very similar to the adding mode. Some examples of these are 21), 22) and 23)

15) If you select a student, you would be taken to 16)

Student's name

Students average mark: 6.9

(Not) expelled from (course name)

See statistics

Expel/Readmit student

Back to course

16) If you select statistics, you go to 17). Back to course, you go to 14)
The expel/readmit will be "Readmit" if the student is expelled, else it will be "Expell".
You can do the action just clicking on the button.
